Bronz Surgical Co.

<https://www.downzinstruments.com/>

We are trustworthy **Manufacturer, Exporter, Importer, and Trader** of Neuro Surgical Equipments. Our products are widely appreciated for their features like user-friendliness, light & compact designs, and safety.

About Us

Founded in the year **2007**, **Bronz Surgical Company** is one of the reputed companies engaged in **Manufacturing, Exporting, Importing and Trading of Surgery Instruments, Hospital Holloware, Neurosurgical Scissors, Neurosurgical Needle Holder and Neurosurgical Tying Forceps**. Our qualitative range of products includes Vannas, Vanna's Micro Scissors, and Jacobson. We are into the business of manufacturing wide range of surgical instruments that are widely used in various hospitals, nursing homes, health care centres and other medical establishments. Our range is appreciated across the market for the features of easy to handle and use, absolutely safe, noise free treatment and portable. Our effective marketing strategy and client centric approach have also assisted us in catering to the needs of a wide clientele in the market. As a result, our products have found a great demand in the market by several patrons across the nation. We offer products with the brand name of **Downs** and **D-matrix**. Our exporting country is **Europe**.

Our latest infrastructure is one of the prime reasons for the premium quality levels we are able to maintain in our line of products, while our wide distribution network is functional in enabling timely delivery of the products. Having developed a well equipped manufacturing unit and an in-house design unit, we have been able to meet the specific requirements of our valued clients. Our sound...
